

Verdasys in Taiwan distribution deal

May 23, 2007 10:35 AM

[Verdasys Inc.](#) said today it has signed a distribution agreement with a Taiwanese data security company that should make Verdasys products more widely available in Taiwan and China.

Verdasys of Waltham specializes in data-loss prevention technology, and its partnership agreement is with iSecurity Inc.

Under the agreement, Verdasys said that [iSecurity](#) will distribute Verdasys's Digital Guardian solutions as part of its overall information security offerings throughout Taiwan and China.
